

Understanding the 2007 NECAP Reports Advanced

These workshops being reoffered due to the cancellation of the previous ones will be conducted by the Department of Education and Measured Progress. The purpose will be to provide an overview of the NECAP Reports at the student, school and district level as well as the released item documents and support materials.

In February two workshops **Understanding the 2007 NECAP Reports, Advanced** were canceled due to inclement weather. They have been rescheduled for March 24, 2008 at 1:00-4:00 p.m. at the Comfort Inn in St. Johnsbury and Tuesday, March 25, 9:00 a.m.-12:00 p.m. at the Capitol Plaza in Montpelier. Participants who had registered for the original workshops must reregister again.

Registration Deadline: As soon as possible

Register Online: [Online Registration](#) (Off-site link)

NOTE: RE-REGISTRATION IS REQUIRED

Both workshops are designed for educators who have attended a NECAP workshop before and are familiar with the different NECAP result reports. The focus will be on matching NECAP Reports to some of the key questions that are of interest to educators and community members. In order to fully participate in this interactive workshop each participant must bring with them:

1. A School or District Results Report for two adjacent grade levels (for example a grade 5 and grade 6 School Result Report)
2. An Item Analysis Report for one content area of one grade-the grade should match the grade of one of the Results Reports (for example, a grade 5 Mathematics Item Analysis Report)
3. A Released Item Report that matches the grade and content area of the Item Analysis Report (for example, a grade 5 mathematics Released Item Report.)
